• Bachelor in Technology - Computer Science Engg.	University of Kashmir	2021 - 2023
• Diploma in Computer Science Engineering	Kashmir Govt. Polytechnic	2016 - 2019

PROJECTS

Business Listing Website (Listify) <https://listify.sahillangoo.com>
Developed a user-friendly Business Listing Platform featuring refined user experience, robust security, and scalable architecture. Implemented using HTML, Bootstrap, JavaScript, PHP, MariaDB, and Leaflet-JS.

E-Commerce Website <https://breedershub.in>
Developed a user-friendly e-commerce web application featuring 1000+ products, optimized for speed with compression techniques achieving a page-load time under 3 seconds. Successfully converted it to Progressive Web App (PWA), Trusted Web App (TWA), and further deployed on Play Store and App Store.

Logistics Website Design & Development <https://xpresssys.com>
Developed a comprehensive logistics website enabling users to initiate pickups, track packages, and empowered administrators to manage content, update package details, and delivery pin-codes. Successfully addressed security concerns, mitigating spam attacks with Cloudflare integration.
